EC Issued by Maharashtra SEIAA, *vide* letter no. SEAC-2016/C.R.424/TC-1, dated 2<sup>nd</sup> May, 2017 (enclosed as **Annex I**)

<b>Environmental Clearance COMPLIANCE REPORT - PHASE V Development</b>		
<b>SPECIFIC CONDITION</b>		
<b>Condition</b>	<b>Condition</b>	<b>Compliance</b>
<b>Condition 1</b>	E-waste shall be disposed through Authorized vendor as per E-waste (Management and Handling) Rules, 2016.	The Project (Phase V of NKP) is yet to be started. At present in all the operational phases, e-waste is disposed through authorized vendors (Please refer <b>Annex III</b> ).
<b>Condition 2</b>	The Occupancy Certificate shall be issued by the Local Planning Authority to the project only after ensuring sustained availability of drinking water, connectivity of sewer line to the project site and proper disposal of treated water as per environmental norms.	Application for Occupancy Certificate will be done only after the environmental infrastructure is in place.
<b>Condition 3</b>	This environmental clearance is issued subject to obtaining NOC from Forestry & Wild life angle including clearance from the standing committee of the National Board for Wild life as if applicable & this environment clearance does not necessarily implies that Forestry & Wild life clearance granted to the project which will be considered separately on merit.	Not Applicable.
<b>Condition 4</b>	PP has to abide by the conditions stipulated by SEAC & SEIAA.	All conditions and commitments made to SEAC and SEIAA will be fulfilled.
<b>Condition 5</b>	The height, Construction built up area of proposed construction shall be in accordance with the existing FSI/FAR norms of the urban local body & it should ensure the same along with survey number before approving layout plan & before according commencement certificate to proposed work. Plan approving authority should also ensure the zoning permissibility for the proposed project as per the approved development plan of the area.	Construction will be carried out only after obtaining required permissions. The Commencement Certificate issued by Municipal Corporation of Greater Mumbai is enclosed as <b>Annex IV</b> . Clearance from High Rise Committee is also obtained for the proposed construction (enclosed as <b>Annex V</b> ).
<b>Condition 6</b>	If applicable Consent for Establishment shall be obtained from Maharashtra Pollution Control Board under Air and Water Act and a copy shall be submitted to the Environment department before start of any construction work at the site.	Application for Consent to Establish was done on 30 <sup>th</sup> May, 2017. It is expected that Consent will be issued soon. The Acknowledgement of the application is attached as <b>Annex VI</b> .
<b>Condition 7</b>	All required sanitary and hygienic measures should be in place before starting construction activities and to be maintained throughout the construction phase.	Clean labour colony with proper sanitary, drinking water, cooking facilities and hygienic condition are provided through the construction contractor. The construction contractor follows high level of EHS practices at site.
<b>Condition 8</b>	Adequate drinking water and sanitary facilities should be provided for construction workers at the site. Provision should be made for mobile	The labour colony is provided with drinking water facility, adequate number of toilets, safety measures; distribution of mosquito repellent, health check-up of labourers, is carried out regularly in labour colony.
